SUMMARY

Full-Stack Web Developer attempting to build a more intuitive user experience on the web utilizing excellent communication from experience in customer service to help resolve conflicts. Recently earned a certificate in Full Stack Web Development from the University of New Hampshire, developed skills in JavaScript, CSS, React.js, Node.js, and responsive web design. Strengths in meeting deadlines and teamwork. Excited to leverage expertise and knowledge on a fast-paced, quality-driven team to maximize experiences on the web.

TECHNICAL SKILLS

Javascript, CSS3, HTML5, React.js, MongoDb, SQL, JQuery, Bootstrap, Express.js, Node.js,

PROJECT

Grocery Search Application | https://github.com/RyanCarey18/grocery-application |
https://vast-ocean-43647.herokuapp.com/
- Shoppers today spend much of their time just figuring out what aisle their items are in. This application sorts the user's shopping list by aisle to help make the shopping trip an in and out experience.
- Role: Back end database, built cart, added sessions.
- Tools: SQL, Sequelize, Express.js, Node.js, HTML, CSS, Bootstrap, Handlebars

TechBlog | https://github.com/RyanCarey18/tech-blog | https://murmuring-shelf-05135.herokuapp.com/
- Reading about tech is almost as important as coding is itself. With this application users can read and share information to increase knowledge.
- Role: Sole Author
- Tools: SQL, Sequelize, Express.js, Node.js, HTML, CSS, Bootstrap, Handlebars

Marvel Search | https://github.com/RyanCarey18/Marvel-Character-Search |
https://ryancarey18.github.io/Marvel-Character-Search/
- More people are interested in Marvel than ever before with the success of the MCU. This application is a knowledge base for users.
- Role: Back end Marvel API developer
- Tools: HTML, JavaScript, CSS, API, JQuery, GoogleFonts

EXPERIENCE

Accountant   2020 – 2022
D'alessio & Associates, Inc.   Keene, NH
- Onboarded new accounts including setting up weekly procedures for sustained service
- Reconciled clients accounts, ensuring accurate records and identifying inconsistencies
- Generated monthly financial reports including balance sheets and profit & loss statements to help the client understand his financial standing

Customer Service Representative   2012 – 2020
Demoulas Super Markets, Inc.   Swanzey, NH
- Liaised with customers, management and sales team to better understand customer needs and recommend appropriate solutions for better customer service
- Identified and recommended changes to existing processes to improve accuracy, efficiency and responsiveness of the customer service department for better workflow.
